

# Nikko & Ōshū Kaido, Aizu Nishi Kaido / Green Route

~ A Green Journey into Japan's Farming Spirit and Local Food Culture ~

## Route

Day 1

AM

PM

Day 2

AM

From Nikko Station

By Car  
60 min

### ① Kirifuri Falls

Along with Kegon Falls and Urami Falls, Kirifuri Falls is among one of the three famous waterfalls of Nikko. It is also famous for being depicted by Katsushika Hokusai, who captured the beautiful variations of the mountain stream.

By Car  
80 min

### ② Nasu Satoyama Farm Ride

Cycle through the scenic Satoyama countryside. Experience harvesting seasonal vegetables at local farms that support regional food culture and preserve traditional lifestyles and enjoy a farm-style lunch.

By Car  
20 min

### ③ Ouchi-juku Post Town

Stroll through Ouchi-juku, a historic post town that retains the atmosphere of the Edo period, featuring a picturesque streetscape of traditional thatched-roof houses.

## Highlights

◆ Experience the majestic two-tiered scenery counted among Nikko's Three Famous Waterfalls, mist-like spray, and the beautiful valley, depicted in famous art by Katsushika Hokusai.

◆ Feel nature through cycling. Enjoy farm experiences and healing unavailable in the city while savoring breathtaking views.

◆ Discover Aizu's charm through seasonal peach picking and traditional craft experiences such as Aizu-e candle making.

PM

Ouchi-juku

By Car  
40 min

By Bus  
15 min

OR

By Car  
10 min

### ③ Peach Picking

Enjoy peach picking at Gaburi Garden, a farm-based business rooted in agriculture and sustainability. The farm operates in harmony with the seasons amid the rich natural environment of the Aizu region.

By Train  
& On Foot  
40 min

OR

By Car  
10 min

### ③ Aizu Painted Candle

A traditional craft experience featuring vividly hand-painted Japanese flowers and plants. Guests can create their own candle design inspired by "Japan Green."

To Aizu-Wakamatsu Station

By Train  
30 min

OR

By Car  
10 min

### ③ Japanese-Chinese Herbal Tea Blending

At the Goyakuen, savor herbal tea (Japanese-Chinese herbal blend) made from medicinal herbs cultivated in the herb garden established by the Aizu feudal lord to protect his subjects from epidemics.
